

TWINNING ASSOCIATION
OF POYNTON (TAP)

The Association was originally formed in 2003 with the aim of creating links with [Érd](http://www.erd.hu), a town in Hungary, near Budapest (www.erd.hu).

This was chosen because there are several Hungarians living in Poynton, and Érd is also the home town of a former Mayor of Poynton.

TAP is delighted that Poynton Town Council also signed a twinning agreement with the French town of Haybes in 2016 (www.haybes.fr)

We have several events planned this year – we hope you can join us!

- **Quiz on 21st September 2018 at Poynton Royal British Legion**
- **Haybes Remembers WW1 Commemoration on 3rd November at St Georges Church Hall in partnership with Friends of St Georges**
