POYNTON POOL PLANNING APPLICATION REFUSED

On Friday 16th January, Poynton Town Council Councillors and Friends of Poynton Pool spoke at the Cheshire East Strategic Planning Board, where the current proposal for the work at Poynton Pool was being discussed.

We are thrilled to announce the current proposal for work was refused 5-4 because it was deemed too much of an impact on the environment & trees.

As it stands, work still needs to be done, but we are hopeful that Cheshire East Council will work with ourselves and Friends of Poynton Pool to develop an alternative scheme, which will reduce the number of trees impacted and be acceptable to the community.

It has been a privilege to work hand in hand with Friends of Poynton Pool to protect this cherished local community asset.

MOBILE WASTE AND RECYCLING CENTRE

We've recently been in contact with Cheshire East Council about changes to the mobile tip booking system as all places seem to book up as soon as they are released. Despite making several suggestions to CEC, the current system will remain in place.

This service is available every four weeks at the weekend, with a prebooking system in place 30 days before.

If you are unsure how to book your place, please see the instructions on the right. The centre is located at: Off Anson Road, Poynton, SK12 1TD (on part of the original tip site.)

BOOKING YOUR PLACE AT THE MOBILE WASTE AND RECYCLING CENTRE

Note: The mobile HWRC is managed by Cheshire East Council. Follow the link to the Cheshire East page: bit.ly/HWRCBOOK Scroll down and click 'book a slot before you visit'

On the next page, click the 'book a slot' button. This will take you to your log in page for your Cheshire East account. Enter your details.

You will be taken to a page detailing your waste management services, such as the bins you own and whether you are part of the Garden Waste service. Scroll down and click 'Book Recycling Centre'

You can now check availability of the service and book your place via the interactive calendar. Sessions are every four weeks and booking opens 30 days in advance.

CAN YOU HELP OUR OLDER RESIDENTS?

Age UK Cheshire are recruiting volunteers to help bring their Sharing Time befriending project to Poynton (and the surrounding areas).

Befrienders can support our older residents (50+) by offering either telephone or face to face social contact to help befriendees feel less isolated and reconnect them with their local community. This could involve meeting up for a coffee or to access groups or activities that they enjoy – probably things that you do already! Support is time-limited, training is offered and befriendees are matched with you!

For further details please email Age UK Cheshire at voluteering@ageukcheshire.org.uk or telephone 01606 305015.
