## ACTIVE TRAVEL SURVEY RESULTS

The Town Council would like to thank the residents who responded to its recent travel survey. We received 160 responses which provided valuable evidence for the Town Council to respond in August to the Cheshire East Council Active Travel Survey. The Town Council's response can be found here: [bit.ly/PTCAT](https://bit.ly/PTCAT)

The Town Council's survey showed that walking is a popular way for residents to travel around Poynton. 60 respondents said that they would like to use active travel (walk, wheel and cycle) more often, but safety concerns were a significant factor in preventing people from doing this. Of particular concern were uneven pavement/road surfaces and narrow pavements. A safer cycling and walking route to Poynton Railway Station and also to Higher Poynton were the most requested improvements to highways and public footpaths.

Now that we have identified some priorities around Active Travel, the accessibility working group will look to define the Town Council's role in addressing them. These could be through direct action within our powers, collaboration with partners, or by influencing change through effective lobbying to Cheshire East Council.

The Town Council has already identified a number of smaller projects which it will be delivering with partners over the autumn. Watch this space.

### PRINCE'S INCLINE CLOSURE

This Friday 3<sup>rd</sup> October, surface improvement works will be taking place on the lower end of Prince's Incline (see map below, area is marked in red.)

This area will be closed from 8am - 4pm while works take place. Prince's Incline is owned and managed by Poynton Town Council. If you have any queries about this closure, please call 01625 872 238.

We apologise for any inconvenience caused.

### WEEKLY FOOTBALL MOVE

The popular free weekly football sessions, organised by Poynton Town Council's Council Community Support Team continue through Autumn and into Winter by moving from Barnaby Park to Poynton Sports Club on the 15<sup>th</sup> October.

These sessions are fantastic for children and young people who want to play football in a safe, encouraging environment with others.
