

WHAT WOULD POYNTON BE WITHOUT ITS COMMUNITY?

This year I will have the pleasure to award the fourteenth Town Awards to members of our community. These awards seek to recognise individuals or organisations who freely give their time to benefit our community.

The **Certificate of Civic Service** is awarded in recognition of a sustained or significant contribution to the community of Poynton with Worth.

The awards also seek out the younger members of the community who have already embarked on a life of giving something back. The Certificate of Youth Civic Service is awarded in recognition of having volunteered or shown leadership, initiative, enthusiasm or commitment to a worthwhile cause, or benefit to their peer group or wider community.

Without your nominations the awards cannot take place. If you know someone who you think has civic pride and deserves recognition, please fill in the nomination form giving as much information as you can about why they should receive a Civic Award.

Thank you for supporting your community.
