SHARED SPACE ROADWORKS UPDATE

We have received an update from Cheshire East Council regarding the current road closures for the shared space works in Poynton. They are as follows:

27 July to 7 August - Four-way traffic signals (manually controlled at peak periods) on London Road South for drainage works, granite sett removal and road reconstruction.

7 to 18 August - Road closure at on London Road South from the evening of 7 August for drainage works, sett removal and road reconstruction and resurfacing.

19 and 20 August - Road closure on Chester Road for Resurfacing work.

21 and 24 August - Road Closure on London Road North for road resurfacing.

25 to 28 August - Four-way traffic signals (manually controlled at peak periods) to the Fountain Place roundabouts for final repairs including road surface treatment.

To keep up to date with roadworks in Poynton, you can view regular updates bon the website **one.network**. If you have any queries, you can call **Cheshire East Highways** on 0300 123 5020

CHESHIRE EAST LOCAL PLAN

Cheshire East have now published the list of sites that have been submitted by landowners, developers, and other interested parties for potential housing, employment, minerals or waste uses for inclusion in the Cheshire East New Local Plan bit.ly/4h5Q6ep.

The call for sites process is separate to the planning application process and the submission of a site to the council does not necessarily mean that it will be included in the new local plan or brought forward via a planning application.

In addition, Cheshire East have launched a scoping consultation for the Local Plan here:

bit.ly/localplancec. The scoping consultation is seeking views from residents and stakeholders as to what the plan should contain and how future engagement should be carried out. Please make sure you have your say.

MISSED BIN COLLECTIONS

Poynton Town Council are aware that this is an ongoing issue in Poynton. In March we wrote to the Cheshire East Director of Planning and Environment outlining our concerns regarding the missed collections. We have also written again to Cheshire East expressing our concern that despite assurances in March, that they were working to stabilise the service, there are still frequent missed bin collections. When collections are missed, our councillors have been pursuing additional collections with Cheshire East to clear the backlog. In the meantime, you can report missed bin collections here: bit.ly/misssedbinccc
