30th April -12th June 2022

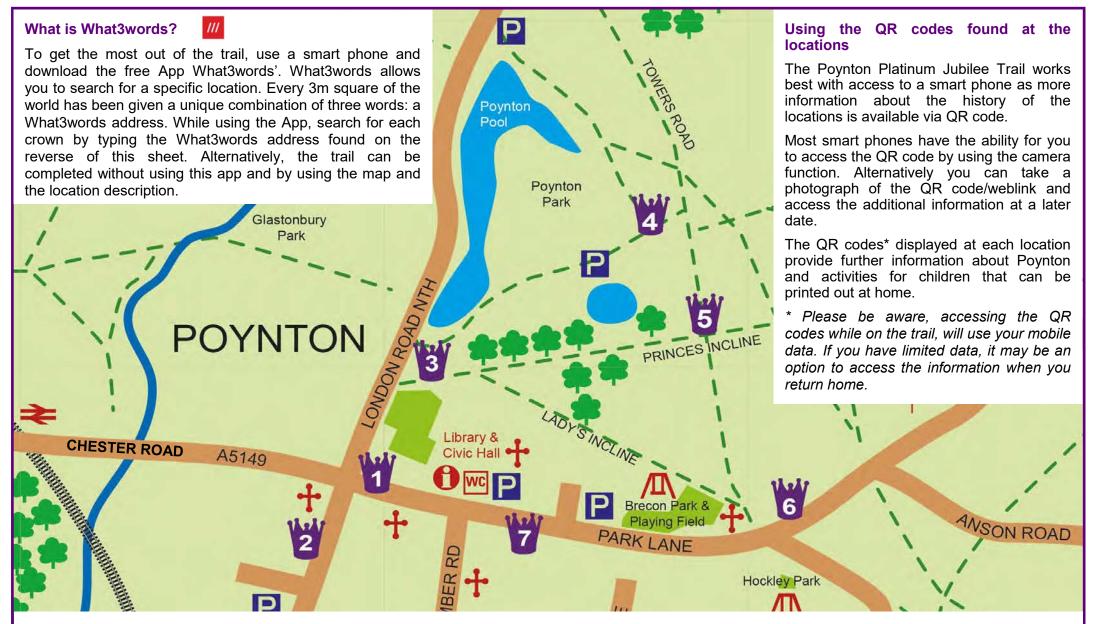

The Platinum Jubilee Trail takes in seven points of interest, each with a focus on a decade of the Queen's 70-year reign. Follow the trail around the town to locate seven large purple crowns with information about the Queen, the World and Poynton in each decade.

You will need;

A pen and a smart phone. The What3words App (free to download) on your phone is ideal but not essential for this trail.

About the route

It's preferable to walk the trail in order. You can choose to walk the trail in one go or can split the trail into smaller sections to complete at your convenience. Starting and finishing at the Civic Hall, the route length is: 2.7miles/4.3km. Walking at a medium pace, it should take around 1½ - 2 hours to complete the trail. Mostly the trail is through the streets around Poynton but there are some sections that are off-road. We advise you to wear stout footwear, dress for the weather and pack a drink.

Please be mindful that the trail requires participants to cross-roads. The trail is suitable for families. Children under 16 should be supervised by an adult.
