For the attention of the owner/occupier

Dear Neighbour,

A523 London Road & Street Lane closures

As the Principal Contractor working with Cheshire East Council on the Poynton Relief Road project, we would like to inform you we will be imposing closures of the A523 London Road and Street Lane at its junction with the A523 London Road.

The closures are required to enable our final surfacing and white lining works, which means some disturbance for local residents and businesses is unavoidable, and we'd like to apologise in advance for any disturbance caused.

Important information about road closures

Street Lane will be closed 24-hours a day at its junction with the A523 London Road, from **Monday 28th November for approximately 4 weeks.**

The A523 London Road will be closed overnight between the hours of 8.00 pm and 6.00 am from the Adlington Business Park and just beyond the new Adlington roundabout, from **Monday 5th December for approximately 3 weeks.**

A signed diversion route will be in place for the duration of the closures and access will be maintained for non-motorists, businesses and for residents living within the closure on London Road.

Please note all works are subject to weather conditions.
